

MOTION

M-11-340

CITY HALL: AUGUST 4, 2011

BY: COUNCILMEMBERS  GUIDRY AND  CLARKSON

WHEREAS, the Council has an active interest in continuing to facilitate the accessibility and transparency of its meetings and those of other entities which are broadcast to the public over the Internet and Government Access; and

WHEREAS, in conjunction with this public responsibility, the Council desires to improve the workflow processes within the Council's Chambers by incorporating, implementing and maintaining a computerized web video streaming and meetings management system, including agenda preparation, meetings management, voting tools and post-meeting minutes tools; and

WHEREAS, due to the highly technical nature of this comprehensive electronic system, it is believed that the Council would be best served by retaining a professional experienced in developing, implementing and maintaining a computerized web video streaming and meetings management system, including agenda preparation, meetings management, voting tools and post-meeting minutes tools; and

WHEREAS, the Council's Cable, Telecommunications and Technology Committee, at its meeting held on July 25, 2011, voted to recommend that the Council commence a process to solicit competitive proposals from professionals interested in providing technology services to the Council relative to developing, implementing and maintaining a computerized web video streaming and meetings management system, including agenda preparation, meetings management, voting tools and post-meeting minutes tools; and

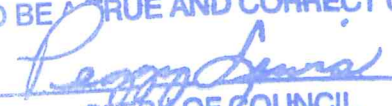

WHEREAS, consistent with the Cable, Telecommunications and Technology Committee's recommendation and procedures established by Council Rule 45, the Council now wishes to issue a Request for Proposals to initiate the competitive selection process in order to receive proposals from professionals interested in providing technology services to the Council relative to developing, implementing and maintaining a computerized web video streaming and meetings management system, including agenda preparation, meetings management, voting tools and post-meeting minutes tools; now, therefore

BE IT MOVED BY THE COUNCIL OF THE CITY OF NEW ORLEANS, That in accordance with paragraph 1 of Council Rule 45, the Council determines that the services of a professional are desired to develop, implement and maintain a computerized web video streaming and meetings management system, including agenda preparation, meetings management, voting tools and post-meeting minutes tools, and therefore directs its staff to issue a Request for Proposals to begin the competitive selection process established by Rule 45.
